

Bluefish Swim Club Golf Tournament

The Bluefish Swim Club is a developmental program that strives to develop swimmers from entry level competitors to senior elite athletes. This year is a very exciting year for our team. The 2008 Summer Olympics are in August. Nine of our athletes have qualified for Olympic Trials with the hopes of representing the United States in the 2008 Summer Olympic Games. We couldn't be prouder of our athletes! With this success comes an experience of a lifetime for our swimmers, along with significant expense. In order to ease some of the financial burden and to be sure all Bluefish athletes have the training facilities, coaching and equipment needed to foster continued success, we are proud to announce the:
